

Drew Carey

Cool Acoustic Tunes...Past and Present

Hi...I'm Drew Carey. (Yeah, I know...but that's my real name!)

I am a professional guitarist / singer / songwriter who has been playing since 1975, and performing live since 1977. I have sent you this promo pack in hopes of securing a gig at your establishment, special occasion, or private function.

I perform acoustic rock and pop cover songs from the 50's to recent dates, as well as a few selections from my two solo CD's "Into The Dream" and "Déjà Drew".

Enclosed Please find:

- 1) A master song list, which is ever expanding;
- 2) A sample promotional poster;
- 3) An 8 minute sampler CD including snippets of some of my repertoire;
- 4) A business card with my contact e-mail & phone number

I know you'll find me to be an act that you and your clientele or guests will enjoy. My rates are more than reasonable, and my stage presence is entertaining, and at times entrancing. Never too loud, I deliver a professional performance in any situation.

I hope you'll take time to listen, and I hope you'll also take the time to contact me and set up a gig. I Thank You for your consideration...

Ever Forward-
